

A hand is shown from the side, wearing a dark blue sleeve, holding a shiny gold coin. The coin has a vibrant, colorful landscape scene on its face, featuring a bright sunburst, rolling green hills, and a field of wildflowers in shades of red, orange, and yellow. The text '\$MPC' is prominently displayed in large, bold, gold letters across the center of the coin. The background of the entire image is a dramatic scene of large, grey, jagged rock formations falling or crashing down, suggesting a sense of destruction or transformation.
